

Lab Report Submission Guidelines

Your lab report must include the following:

Report Content Requirements:

- Begin each lab section with a heading in the format:
Lab Session #
- Copy the Experimental exercises section directly from the provided lab session files. Fill in the readings in the respective tables.
- Attach screenshot(s) of the relevant Multisim simulation for each table, clearly showing the recorded readings.
- Each figure must be correctly captioned as per the relevant reading it represents.
- Include the following auto-generated sections:
 - Table of Contents
 - Table of Figures
 - Table of Tables
- You may include relevant headers and footers for organization and clarity. (Optional)
- The title page must include the Group # , the names of all group members and seat # along with other elements.

Submission Instructions:

- Lab report should be in a .pdf file format.
- Create a folder named with your assigned group name (e.g., A-II).
- Inside this folder add your lab report pdf, and create subfolders for each group member. Name each subfolder using the full name of the member and respective seat number.
- Each member's subfolder must include five (.ms) files, named in the format:

[Your Name] Lab X

(e.g., Sara Lab 1, Sara Lab 2, etc.)

- Compress the main group folder into a .zip file.
- Submit on email with below Subject Line:

LAB REPORT SUBMISSION, BSCS (Morning) 2025, 1st Year 1st Semester, Lab Group #

- Email Body should include:

Group #: [Your Lab Group Number]

Group Members:

- *[Full Name 1]-[Seat #]*
- *[Full Name 2]-[Seat #]*
- *[Full Name 3]-[Seat #]*
- ...

Lab Report should be submitted on this Email: faizamarium.uok@gmail.com
